Early Termination Charges

An early termination fee applies on all Regional Unlimited plans which is calculated by the monthly fee x the number of months remaining. The early termination fee is capped a \$350.

Plan Change Fees

A \$39 plan change fee applies to change your AaNet service to another plan with the same speed. A \$66 fee applies if you wish to change the speed of your current aaNet service.

OTHER INFORMATION

Other conditions

The actual speed you experience depends on a number of factors, including your equipment, the quality and location of your line, how far your connection is from the regional telephone exchange, the applications you are using, the capacity and speed of our systems, the systems of our suppliers and the Internet generally. For these reasons, you should not expect your actual speed to be at or near the theoretical maximum.

Billing

The figures in this critical information summary are for a full billing cycle but your first bill may include some pro-rata charges for part of the month if you started or changed your plan part way through a billing period. On the same day each month you will be billed in for minimum monthly charge as well as any additional usage during this billing period.
